Dear Billie Broaris-Tshuva,

Congratulations! Worldpay has certified the integration of PCI Booking (Version 1.0) to the SecureNet PayOS API (version 1.0). This Class A Certification\* is based on the success of certification transactions run from PCI Booking to SecureNet's Payment Gateway on 2/15/2017. PCI Booking (version 1.0) is as of 3/13/2017 certified to successfully perform the following type of transactions through the SecureNet PayOS API (version 1.0):

<u>Industry</u>	<u>Tender Types</u>	<u>Transaction Types</u>
<input checked="" type="checkbox"/> eCommerce	<input checked="" type="checkbox"/> Visa	<input checked="" type="checkbox"/> Auth Only
<input type="checkbox"/> MOTO	<input checked="" type="checkbox"/> MasterCard	<input checked="" type="checkbox"/> Prior Auth Capture
<input type="checkbox"/> Retail Card Present	<input checked="" type="checkbox"/> Discover	<input checked="" type="checkbox"/> Auth Capture
<input type="checkbox"/> Restaurant/Retail + Tip	<input checked="" type="checkbox"/> American Express	<input checked="" type="checkbox"/> Void
<input type="checkbox"/> Mobile	<input type="checkbox"/> Pin Debit	<input checked="" type="checkbox"/> Credit
<input type="checkbox"/> Healthcare	<input type="checkbox"/> ACH	<input type="checkbox"/> Verification

Please direct any/all questions regarding this certification to the Worldpay SN Certification Team at

[Certification@securenet.com](mailto:Certification@securenet.com).

Sincerely,

*Worldpay SN Certification Team*

\* Class A Certifications are those integrations that have been certified by the Worldpay SN Integration Services team whose features are in line with recommended best practices.
